THERE will be NO rehearsal on the stage for the Christmas Celebration!!

Final thoughts

Your children have all been working very hard!!! They will be wonderful on stage, but it is always helpful for their parents to not show any uncertainty in this. It will help them have confidence in themselves if they hear you say that you know they will feel confident and perform perfectly! Remember- this is a showcase, not a professional performance. **The children can do no wrong, whatever they do on stage will be great!** For some of them this might be the first time performing. Always congratulate all performers, and let them know they did a beautiful job! For the new performer....they may not have thought about being nervous or scared until the moment they have been asked if they were...and then they wonder what it is they should be scared or nervous about, creating an unnecessary negative feeling and situation for them. Don't create this uncertainty!! Please remove nail polish on fingers and toenails & any tattoos or stamps on their skin.

******* ACCESSORIES, HAIR, & MAKE-UP *******

Jewelry: NO JEWELRY ON STAGE! The only exception is rhinestone stud earrings. Jewelry such as necklaces, bracelets, large dangly/hoop earrings will be removed before the student enters the stage, and we will not be held responsible for any lost items.

Shoes: Make sure you have the correct style and colored shoes. Please make sure that the child's first and last name is on ALL dance shoes. Please put the name on the inside of the shoe. If the name is written on the bottom, it can sometimes be seen from the stage. Make sure the strings on the top of the shoe are cut and tucked in nicely.

Hair & Makeup: The hair and make-up must be done BEFORE arriving at the performance. Use hair colored bobby pins and pony tails to secure hair. Makeup IS NOT REQUIRED. Hair is suggested to be in a ballet bun for dancers and ponytail for tumblers, but is not required to be. However, hair must be pulled up out of the face. Please see below for example pictures for hair and makeup. Youtube is a great resource on how too for these styles.

How to arrive and leave:

The event will take place in the lower parking lot beside the baseball field at Hillcrest Christian School (right hand side coming in the main entrance). When you arrive you will go to the stage. When looking at the stage go to the right side. Students will be lined up by class and go on stage at their performance time. When they are done performing please come back to the stage to get your child. To pick up your child they will go off the opposite side they came on. When looking at the stage go to the left side to pick up your child.

During the show:

Please take advantage of all that your admission ticket includes! We will have Santa on site for you to take pictures with, T&J Food Truck and Bougie Coffee Company, bouncy houses, fun holiday photo ops, craft and game stations, AND MORE!

If you are in multiple class routines with different costumes you may use the Elementary School gym to go inside for costume changes. The gym is located directly behind the event space.

If you have long breaks between your child(ren) routines you are welcome to leave and come back. Wristbands will be required for re-entry.
